NUMBER 37

## Essential Information On Defense, Aviation, Navy

Washington, D. C., July 10th — Congressman Clyde L. Garrett sends us the following news concerning the National Defense program. It is pertinent to the many questions which our people are asking.

**AVIATION TRAINING** — The minds of our people have suddenly turned to the air. It is the real first line defense these days, and our people are all interested. There are three branches of this service in which they can enlist—and hundreds are writing for information. They are: Cadet flyers, Air Corps soldiers and aviation students in colleges and universities. The flying cadets are enlisted under rigid restrictions and are given every possible training leading to a commission in the Air Corps. Air Corps soldiers will be given mechanical training for the care and maintenance of the aeroplanes, along with other soldierly duties. It takes about ten men on the ground to keep one plane in the air. The aviation students will be given primary training leading to a civilian pilots' license. These will then be given a chance at the cadet training if they show the proper aptitude and are physically fit for the work.

The physical requirements are very rigid for the cadet flyers. Those who enter as Air Corps soldiers face only the physical examination which is required of any Army man.

Full details of the first two grades mentioned as to requirements, rates of pay, training and such related matters can be obtained from the nearest recruiting office or from the Commandant at Randolph Field, San Antonio, Texas. The student training information can be obtained from the local NYA officials or from your nearest college giving the work.

There are five colleges in our District which in all likelihood will be eligible for this training.

Congress will be in recess next week, due to the Democratic Convention. The platform committee has largely completed its work and that document will be short, simple and direct to the point. It will show the work which the party has done and what its promises will be to the country during the next four years.

**NAVAL RESERVE TRAINING** — To build a reservoir of officers for any emergency for the Navy, a course in training for midshipmen in the Naval Reserve is to be offered. It is open to native-born, unmarried male citizens between the

## Ferguson Predicts Governor's Race To Get Much Hotter

Austin, Texas, July 10 (Special) —The prediction that W. Lee O'Daniel has lost so much of his former support that he may not even get into the run-off primary, was made by former Governor Jas. E. Ferguson in opening the final drive for votes in the interest of his wife, Miriam A. Ferguson, candidate for governor. In a swing thru East Texas which included addresses at Longview and Lufkin, the former governor displayed the same vigor and rapier-like thrusts at his opponent which characterized his campaigns of other days when his appearance on the public platform drew record-breaking attendance.

Supporting his conclusions that Governor O'Daniel may be eliminated in the first primary, the former Governor pointed out that the "banjo-picking, bull-fiddling statesman" has alienated the support of 125,000 dissatisfied pensioners, and 40,000 school teachers, 35,000 members of organized labor and 125,000 tenant farmers who supported him two years ago.

The Fergusons' schedule for the coming week includes addresses at Corsicana on July 12 and Cleburne on July 13 by James E. Ferguson.

Sgt. E. C. McWright from the Marine base at San Diego, Calif., arrived on Friday of last week to visit his father, H. A. McWright and family. Yes, the wife and baby, Ernestine age one, came with him and all are having a good time, including "grandpa."

HON. CLYDE L. GARRETT

ages of 19 and 26 years. It will pay \$780.00 with ration and other allowances per year. Those who are interested should apply to the nearest Recruiting Office of the Navy.

Young men with at least six months' machine shop experience now have a good chance to secure Civil Service appointment as machinists' helpers under the Navy Yard Labor Boards. Apply to the nearest Navy Yard. There is a chance to work up from this to full machinists' standing.

Many in our District have taken Civil Service examinations and want to know their chances for a position. When writing your Congressman, be sure to tell him what kind of an examination it was, the grade you made and when you took it, and whether it was given out of New Orleans or Washington. Better still, send your notice of your grade which gives all this information. Thousands of examinations have been given and this information will enable your Congressman to advise you quicker.

## Friends of O'Daniel Having Big Rally In Abilene Tues. Night

A general political rally is announced by the friends of Gov. Lee O'Daniel for Abilene in the Federal Lawn next Tuesday night. All kinds of music is being planned, and a general big time promised all who attend. This indicates further that the trail to the governor's mansion is getting hotter. Mr. O'Daniel will not be there in person.

## Mr. Blanton Speaks In Hamlin Saturday

Hon. Thomas L. Blanton announces he will speak in Hamlin this Saturday at 11:00 A. M. and will address Anson people that night.

## A Blessing

It is a blessing for this country that in its hour of need its basic industries are still ready to meet emergencies, in spite of some years of vicious attacks on them for political purposes.

Government must be kept as an impartial administrator and not be allowed to dominate industry and the private lives of our citizens.

A free people will surpass an oppressed people in resourcefulness.

We have seen too much politics play havoc with England and France—let us keep it from destroying the United States.

Oddis Huling, chief chef at the Fry Cafe, is taking his vacation plunge in the waters at Corpus Christi this week. He is having his parents, Mr. and Mrs. W. A. Huling to furnish the eats and a place to take his short naps while there. Oddis might locate a senorita too, while down there—but since he's girl shy he might not make that point good.

Mr. and Mrs. E. H. Sylvester and children Allene, Billie Fern and Ronnie of Brawley, Calif., and Mrs. Sherman Moulton and son Sherman Jr., of Lamesa, are visiting in the home of their sister, Mrs. L. E. Hines at Plasterco.

## Concerning Your Child And School Attendance

Do you plan to send your child to the Hamlin schools this year? If you do not live in the Hamlin District and have such a desire, then **You must make application to transfer your child in the month of July.**

The Hamlin schools do not wish to encourage pupils to transfer from their home district if their grades are taught there. Furthermore, if students do transfer from their home districts when their grade is taught in the home district the parent will be responsible for transportation expense of that child. This expense will be one dollar a month for grade students and two dollars per month for high school students.

If your child has finished the highest grade taught in your home school, then we urge you to plan to come to the Hamlin schools in 1940-41. Modern school buses carefully operated will bring your child to a modern institution where that child will receive careful instructions in ways and means of life plus the opportunity to build a highly moral and clean character.

The State of Texas will pay his apportionment money, his transportation and his high school tuition. But you must make his application for transfer during the month of July.

This application may be signed either in your County Superintendent's office or in my office at the High school building. May we attend to this at your earliest convenience.

G. R. BENNETT  
Superintendent of Schools

## TIME EXTENDED

The intake period for Tenant Purchase Applications in Jones Co. has been extended from July 6 to July 20, inclusive.

If you are interested in this program please call at the Farm Security Office located on the third floor of the Jones County Courthouse, at Anson, for an application form.

Robert C. Cross, Rural Supervisor Jones County

## Grandchild Mr. and Mrs. J. W. Holden Buried Here Tues.

Carl Lee Holden, the two months old grandchild of Mr. and Mrs. J. W. Holden, of the Dovie community, died at the home of its parents, Mr. and Mrs. James Holden at Marfa, Monday, July 8. The baby was born May 19, 1940.

They brought the body to the home of the grand parents near Dovie and funeral services were conducted at the Dovie church by Rev. Wesley Turner, pastor, and interment was in East Cemetery.

Besides the parents and the grand parents, Mr. and Mrs. Holden and Mr. and Mrs. R. B. Hogan, there are three brothers and three sisters survive.

## Birthday Celebration In Hamlin City Park

The 4th of July brought an old timer and his family together in the City Park for a reunion and birthday celebration. Mr. and Mrs. L. F. Fannin and grandson, Wendell of Truscott, came down to join their daughter, Mrs. Earl Nunley and husband and son Jerry of Olney; their daughter, Mrs. Jess Miller and son, Pearl Fannin and wife and daughter, Miss Merdella, of Hamlin in a delightfully cool day in the shades of the Park.

The family was joined by other relatives, Mr. and Mrs. Bryant Conner, Mr. and Mrs. John Cole, Jr., Mr. and Mrs. Virgel Blackwell and W. L. Cash, an old railroader friend of L. F. Fannin. It was Mr. Fannin's 63rd birthday.

Mr. and Mrs. Coy Fielder and baby of Tahoka were here the past week end to visit their parents and old friends.

Miss Sadie Gabriel of Roaring Springs was a guest of her sister, Mrs. George G. Malouf and family this week.

## G. L. Barnett, 80 Years, Celebrated Birthday Sunday, Abilene State Park

Out west of Hamlin a short way is a "milestone" and if this young fellow would keep quiet no one would think he is anywhere near 80 years of age.

But "uncle" George Barnett is not the kind to conceal anything, especially his age. Really his birthday was July 6th, 80 years ago, for that was the day he discovered Texas down in Ellis County. Now 80 years is a long time but Mr. Barnett does not show it.

Sunday Mr. Barnett and his good wife were invited to join the children, nieces and nephews in a celebration down in the Abilene State Park. Every child was there except Mrs. J. B. Terrell, who was kept away by being in the Abilene hospital, and every niece and nephew in Texas was there except two and they were kept away by illness.

The children enjoying this celebration-reunion, were Mrs. R. S. Dean and family of McCauley; Mrs. Ray Willingham and family of Rule; John Barnett and family and Mrs. Dick Moore and husband of Hamlin; Cleo Barnett and wife of Kermit, and Jim and Martin Barnett, the single boys at home.

Nieces and nephews present with their families, were Mrs. W. E. Strickland, Dallas; John Embry, of Sweetwater, Jack Embry, Brady; Wiley Embry, Dallas; Herman Barnett, Littlefield; Harry Barnett, of Merkel; Mrs. Fred Covert, Abilene; Miss Lee Owens, Cleburne; Miss Myrtle Barnett, Merkel, and Lillie, Claude and Walter Barnett, Abilene.

## A LITTLE HISTORY

The story of G. L. Barnett is very interesting. In 1873 he had a cousin by the name of John Neeley, who had become a pioneer citizen of Fisher County. Now think of Fisher County 67 years ago and you may imagine a different country to what it is today, with its roads, farms, thousands of citizens, and schools and churches and nice little towns and oil wells and gypsum factories.

George L. Barnett was but 13 years of age in 1873 but he visited his cousin John Neeley out here in Fisher County. He was charmed. He returned home and two years later he returned to the land of "opportunity and prairie dogs" and worked for his cousin. Later he filed on state lands for a homestead. Some of this land is part of the lands Mr. Barnett now owns. So George Barnett qualifies as a real pioneer. He has seen everything come to this west Texas section and quite a few things vanish.

It is quite alright for a young fellow to be a cowboy-rancher for a while, but not always . . . finally he begins to eye around for more excitement. Playing farmer and stockman was not enough. George L. Barnett was caught by the charm of a young lady by the name of Annie Martin of Fisher County and he kept throwing his lariat of romance till one day, May 26, 1892, she became his wife. They set to house keeping and accumulating more lands and stock and later built

## Rev. Ellis Todd Will Hold Plasterco Revival

You are personally invited to come and be with us during a series of revival services at Plasterco, beginning on Friday night, July 19th, and extending through Sunday, July 28th. There will be both morning and evening services with prayer groups meeting each evening before the regular services.

Rev. Ellis A. Todd, a former pastor, will be with us to do the preaching and we know that many old friends will want to hear him.

Come, and come praying that God may richly bless you individually and our community at large.

WESLEY TURNER, Pastor  
(37-2T)

Little Miss Katie Jane McClelland of Oklahoma City accompanied her grandmother, Mrs. J. W. Cadwell of Peacock, to Hamlin Monday to see old friends. They were accompanied by Miss Alatha Dowdle also of Peacock.

Although universally condemned, gossip is universally practiced.

a substantial ranch house about five miles west of what is now Hamlin. A wonderful family of children look towards this ranch home with love and pride. Both Mr. and Mrs. Barnett are strong, happy and devoted to one another and their children and grand-children. Soon they will have been married 50 years and then a real reunion and celebration will take place.

Congratulations, Mr. Barnett.

### Analysis

THIS WEEK, JULY 6-12

What is attempted to be said in this column may be far from correct by Friday morning, July 12th.

We are this week breaking up our observations on World Events, into short sentences or paragraphs, all prompted by daily papers and radio news as gathered from the four corners of the earth.

Someone may ask, "Why say anything on this line." Just as well to ask you why do you not keep calm speechless, unconcerned, when the fire alarm sounds that your neighbor's house is on fire?

There is a great fire raging in the world that is fast consuming all before it . . . all agree on the fact that there is not much peace in the world. One can keep quiet, unconcerned and then all of a sudden find that he too is facing a one-way road on which there is no turning back.

Indications point to a wider war involving Japan, Italy and Germany on one side against England and the United States on the other with possibly Russia with US. No longer can we say "Allies" unless we mean to include this nation with England.

Germany and Italy are encouraging Japan to expand in the Western Pacific and South Seas, to take all territory that is left of Holland and France. Japan is encouraged to resent the long standing International set-up in Shanghai and to use the slightest pretext for complaint. This is certain to cause this nation to maintain her rights and protection in China.

Japan realizes that if the United States builds a navy larger than any other two navies in the world and that with the co-operation with England's navy she will have no chance against these for expansion south of China where European nations have vital holdings. Therefore she is not going to hesitate long before taking what she can now. This means a war spread that will force this nation into the conflict. This means England must hold the Atlantic and this nation the Pacific, if we mean to maintain our sea rights and liberty.

On another line, who in this nation wants a war? What party would advocate a war? There is no war party in America, but there is a great majority in this nation who believes that this nation is in line for trouble with Germany and her henchmen nations when they have conquered England, and that it is high time to get things ready to defend and support a form of government in this nation and in other parts of the world where freedom and Christianity make up the foundation of life and government.

Right this week, under the iron heel of Hitler, the so-called French government is treating its constitution like Germany has always regarded treaties . . . just a scrap of

paper . . . under the influence of "isms" out of Germany, Italy and Russia, all forms of government, monarchial, semi-monarchial and democratic, have been undermined and a Fascist or Nazi form set up. Under the promise of German aid and approval certain Frenchmen are elevated to the top of a shaky government, similar to that in Italy. This means no more political parties, no more public voting, no labor unions, no strikes, no limitations of hours or wages, no individual expression and independence. A shadow of council will be established to represent each of the major industrial units and occupations who will have no rights to formulate laws except by the approval of a second body appointed by a grand council, headed by a leader similar to that held by Mussolini.

Right now there are some unthinking individuals in this very community who will begin to say that such a new form of government as that Germany is helping to initiate in France will be an improvement over our American Constitution. This very silly idea was the canker worm that undermined the nations that Germany has conquered thus far.

Certainly there are some things in this nation permitted to run free that any loyal man will say is not best for our substantial ongoing. Some of us do not like so much red tape, so much delay, so much talk and so little action, so much politicking and backbiting. But certainly there are few Americans who fail to appreciate the thousands of freedoms we have enjoyed and still enjoy. Certainly the poorest of the poor, the most jobless of the jobless feels a degree of safety and freedom that not even the richest and workers of the lands of Germany, Italy and Russia may possess. No doubt should enter into an American heart as to the strength of a government that has proved a haven to the oppressed for 164 years and enabled this nation to become the strongest in a thousand ways than any other in the world. Do not let a doubt find harbor in your minds and hearts. That is what Hitler is hoping to establish. Strong hearts are mightier than armaments of iron.

The burning question in the hearts of all Americans now is, "Are we drifting towards war?" The simple answer to that question is that the fire is burning and our house is in the same block. Do we expect the winds of war to blow the flames right up to our windows and scorch them and suddenly change to save us? Do we care if all our neighbors are war-downed and then see if we can stand alone?

Germany with the co-operation of Italy, Japan and possibly Russia, means to dominate the affairs of this side of the world. That is clear. If they should be able to do that, because of our lack of unity, good sense, patriotism and loyalty, soon a dead silence would fall over this fair and happy land like that which now hovers over the helpless peoples of seven or eight great nations of Europe and holds England in its grip of death. Silence, how silent! Strange "isms" lead but to the dungeons of despair and silence.

Now that war is all around US why not a "war cabinet" instead of a pussy-foot cabinet that would get US into real trouble. Why not have the best men, men of wide and tried experience who will uphold our rights in front of any old dictator. Why not? Why quibble over a thing and reveal apparent internal weakness when all know what is to be done? Pussy-footing has no place in this country at this time.

Mrs. Homer Massey of Dallas is visiting her father, W. L. Walton and other relatives.

Mr. and Mrs. Jim Russell Bledsoe and children Patsy and Shirley of Hobart, Oklahoma, are here to spend the week with Mr. and Mrs. Ted Bledsoe.

## R. A. CROCKETT DIED EARLY SUN. MORNING

Early Sunday morning of July 7, another of Hamlin's pioneer citizens R. A. Crockett, was called from this life. Mr. Crockett had been in fast failing health for about three years and the last few months his suffering was intense, but he was a game fighter as was always his manner of facing ordeals.

R. A. Crockett was born at Pattonville, Lamar County, on November 18, 1870, which made the age 69 years, 6 months and 19 days. According to information furnished the Herald, by Mr. Crockett in the spring of 1939, he was a schoolmate of Vice-President Jack Garner over in Red River county and well remembered his experiences in the old Blue-back Speller contests with that famous Texan. Mr. Crockett spent about 42 years of his life in Fisher County and in and near Hamlin. He was one of Hamlin's pioneer business men, operating a livery stable here in the early days. However, he tried one year in Tacoma, Washington. But the air and friends of his old West Texas communities drew him back to Hamlin. He acquired considerable lands in Fisher and Jones Counties.

R. A. Crockett was united in marriage to Mrs. Kitty M. Martin on August 1, 1907, and is survived by his faithful companion and step-son, Curtis Martin of Hamlin. Also surviving, in his own family circle, are two sisters, Mrs. Myrtle Ledlow of Abilene and Mrs. Mamie Lockwood of Amarillo, both of whom came for the funeral. Also two brothers survive, neither of them able to attend the funeral. They are Ben and John Crockett of Pattonville, Texas.

Mr. Crockett was a great observer and took especial interest in the public affairs of his country. He was a man of steadfast convictions and was frank in his expressions. No one ever had any trouble in locating where R. A. Crockett stood on any public issue. About twelve years ago Mr. Crockett united with the Church of Christ in Hamlin, but owing to his age and health he could not take active duties in his church, but became a student of his Bible. He requested the minister who held his funeral, to say but little about Crockett but all he might care to about his religion and his Christ. Above all Mr. Crockett was a modest man, wishing more for the "flowers" to be offered in one's life than after life ends.

Funeral services, as per the request of the deceased, were held at the farm home of Mr. Crockett, at 10:00 A. M. Monday, with arrangements by the Barrow Company, and conducted by Rev. Henard E. East, pastor of the Hamlin Baptist church. Mr. Crockett's favorite songs and scripture were used. Numbers of pioneer friends and others were present to pay their respects and to try to show their love by offering many beautiful bouquets of flowers. The body was placed to rest in the East Cemetery, Hamlin.

Attending the funeral from a distance were Mr. and Mrs. A. P. Kouri of Wichita Falls. Mrs. Kouri was before her marriage, Miss Curtis Ballard who was born in Hamlin and was a child favorite in the home of Mr. and Mrs. Crockett for several years.

## FSA Land Loans Still Available To Tenants

The period during which tenant farmers may apply for loans to buy their own farms has been extended in Jones County to July 20, it was announced today by FSA Supervisor Robert C. Cross.

"This application period has been extended," Mr. Cross said, "in order that every worthy tenant farmer in the county can apply for one of the loans. A number of farmers who are eligible for these loans did not know that they could apply for them until the period had closed."

Tenant farmers to whom these loans are made do not have to make any down payment, but those who have an adequate supply of livestock and equipment free of debt are given preference. The money is repayable over a 40-year period at three per cent interest.

Application blanks for these loans may be obtained at the FSA office located on the third floor of the Jones County Court House.

The Herald anywhere, 1 yr. \$1.00.

## Frank Locke Active In His Campaign For Jones County Judge

Rumors have been circulated in several communities that I had withdrawn from the race for County Judge, which has caused many persons to ask me in all seriousness if it were true.

This is to advise the citizenship of Jones County that:

(1) Never has such a thought entered my mind.

(2) THE RUMOR IS UNTRUE AND UNFOUNDED.

(3) I have been in the race since January.

(4) Under no conditions would I consider withdrawing.

I respectfully call upon those who have circulated the rumor or who have repeated what they "heard" to correct it in the spirit of good sportsmanship and fair play.

Ruby White) was a pleasant visitor at the Book Shop Tuesday. Ruby said she just missed having to give a review of "Mein Kampf" for her club at Dayton. We are so glad that Ruby and Rich have come home.

Among the several books read by Mrs. M. C. (Clyde) Wilson, the last one was "My Son, My Son!" by Howard Spring. Miss Dorothy Gardner is reading this book now.

We are indebted to Mrs. Arlie Cassle for bringing Miss Gladys Maxwell to the Book Shop. Miss Maxwell is the new Social Worker here. She took "The Yearling" to read.

Mrs. R. Z. Michael is on the waiting list for "The Yearling."

Mrs. Doak McMahon is reading "Bethel Merriday" by Sinclair Lewis. (She says it is insane).

"All that mankind has done, thought, gained or been; it is lying as in magic preservation in the pages of books."—Thomas Carlyle.

Now comes "Nemesis" by Douglas Reed, the life of Otto Strasser, the arch enemy of the world's arch enemy. You must read it.

The W. C. Russells are vacationing at Ruidosa. Mrs. Russell took the lovely and popular book, "Rebecca" to read while there.

"The Art of Living" by Andre Maurois is getting a nice reception by Hamlin readers. Mrs. Travis Dean Mrs. Craig Elmore and Mrs. John Ed Day have read it. Mrs. Michael

is reading it now. (This book is just packed with brilliant but sound common sense and intimate advice on—the whole art of living happily and fully).

Miss Sue and Miss Jim Baker are the guests of Mrs. J. T. Hawkins. They are reading "Priscilla Won't" and "Murder in the Zoo." We enjoyed their visit to the Book Shop.

Other vacation guests enjoying the Book Shop are Mrs. R. C. Clifford's sister, Miss Kidwell, Mrs. Elmore's sister, Miss Opal Kirkham and Mrs. Taylor's niece, Miss Mary Katharine Henry.

Miss Laura Q. Martin is reading "Once to Every Man" by Fanny Heaslip Lea and "Gringo Doctor" by I. D. Bush, M. B.

Miss Zelma Wilson is reading "The Four of Hearts" by Ellery Queen and "Sons of the Saddle," by Raine.

Miss Frances Fannin is reading "Gone With the Wind."

Miss Inez Petty read the "Four of Hearts" and "The Man Who Killed Lincoln." Inez chose this last book because she thought her daddy would enjoy it—but he had already read it.

Miss Mary Elizabeth Bowman is reading "Angels May Weep" by Jane Abbott.

Mrs. L. C. Denton returned home from a Fort Worth hospital this week after being there a month. She is improving satisfactorily at present.

Mr. and Mrs. Clee Barnett of Kermit, Texas, came over for a week end visit with their parents, Mr. and Mrs. G. L. Barnett. Saturday was Mr. Barnett's 80th birthday and perhaps all their children joined in a celebration picnic in a park near Abilene Sunday. One daughter, Mrs. J. B. Terrell is in the Abilene hospital recovering from an operation last week, but she was visited by her parents and brothers and sisters during the day.

Thirty-nine great rainstorms have occurred in Texas since 1891. Probably the greatest in Texas history occurred from September 6 to 10, 1920 at Taylor, where 17 inches were recorded the first day and 13 the second day, for a total of 30 inches in two days.

## A Gentle Laxative Good For Children

Most any child who takes this tasty laxative once will welcome it the next time he's constipated and it has him headachy, cross, listless, with bad breath, coated tongue or little appetite.

Syrup of Black-Draught is a tasty liquid companion to the famous BLACK-DRAUGHT. The principal ingredient is the same in both products; helps impart tone to lazy bowel muscles.

The Syrup's flavor appeals to most children, and, given by the simple directions, its action is usually gentle, but thorough. Remember Syrup of Black-Draught next time. Two sizes: 50c and 25c.

Adding machine rolls 15c or two for 25c at the Herald Office.

ICE CREAM

**Don't Miss This Mammoth Six-County Rally!**  
A regional affair for Jones, Throckmorton Baylor, Knox, Stonewall and Haskell Counties. Come and bring your friends

Come out and hear big Jarrin' John Kimbrough tell why he is supporting Jerry Sadler. Come out and hear the only candidate for governor who offers a practical, sane and logical plan of paying Old Age Pensions and other Social Security Benefits. Hear the man whose plan calls for placing the burden of payment on natural resources, and not by a sales tax, which is a tax on the poor, those less able to pay. Hear the man who can put over his simple, practical plan. Let's not have two more years of disappointment, waiting and do-nothingism. Help the old folks with bigger checks rather than bigger loose-mouth promises.

**Hear Jerry SADLER In PERSON — the Next Gov. of Texas — at Haskell, Tuesday, July 16**

AT RICE SPRINGS MUNICIPAL PARK, 8:00 O'CLOCK P. M.

**THERE WILL BE PLENTY OF FREE REFRESHMENTS, LOTS OF MUSIC AND ENTERTAINMENT. Bring all the family. Invite your neighbors and friends.**

(This Rally sponsored by Haskell County friends and supporters of Jerry Sadler.)—Political Adv.

## Book Shop News

By Mrs. E. M. Wilson

The BOOK SHOP at McMahon's is operated on a membership rental basis—that is, one dollar for permanent membership and ten cents minimum (fourth day) three cents per day after the minimum, to read a book.

The following new members have been recorded since the last issue of Book Shop News: Miss Frances Fannin, Miss Laura Q. Martin, Mrs. Craig Elmore, Mrs. R. C. Clifford, Miss Mary Elizabeth Bowman, Miss Gladys Maxwell, Miss Inez Petty, Mrs. Roy Dillard of Flat Top, Mrs. M. Y. Wilson, Miss Zelma Wilson and Mrs. R. Z. Michael.

Miss Katharine Gardner is reading "The Nazarene."

"How Green Was My Valley" still retains its lead as America's best seller. Craigolene Elmore has just finished this book and Mrs. Stanley Carmichael is next on the waiting list.

"Stars On The Sea" by Van Wyck Mason, is America's second best seller—just received at the BOOK SHOP.

"Mein Kampf" by Adolf Hitler, ranks fourth in the non-fiction

group as a best seller in America. We ordered this book by request. Dr. and Mrs. Thurman and Mr. and Mrs. John Ed Day have read it and the following are on the waiting list: Messrs Holly Toler (Clyde F. Smith has it now) Pinkie Fitzgerald, Bowen Pope and Pete Via. (Better read it soon as you can, as Mr. Hitler is too cocky about the Western Hemisphere.)

Mrs. E. F. Welch is reading "Of Human Bondage" by Somerset Maugham and is on the waiting list for "The Nazarene."

Mr. and Mrs. Weldon Johnson are now located at Southland, Texas. We just mailed Bernice two books: "Queen's Holiday" and "The Nutmeg Tree."

Mrs. J. W. Ezell has just finished reading "Doctor Hudson's Secret Journal" by Lloyd C. Douglas.

Mrs. R. D. Moore purchased "The American White Paper" from the Book Shop. It is America's best selling non-fictional book.

Ten-year-old at book shop counter: "Have you anything for young readers on the subject of 'Problem Parents'?"

Mr. R. Y. Barrow is reading "Border Captives" by Dr. Carl Rister. (If you are interested in the history of our great Southwest, you must read this book.)

Mrs. E. R. Richardson (Nee Miss

Mrs. Bud Autry and children, Peggy and David of Marietta, Oklahoma, and Mrs. M. C. Smith and children, Barbara and Charles of St. Joseph, Mo., all were visitors with their parents, Mr. and Mrs. T. H. Price this week. Miss Mary Jo Price returned with them to spend the summer in Oklahoma and Mo.

Miss Dorace Wilson of Bangs is in Hamlin to spend the summer with her aunt, Miss Ethel Lanford, who is the local Old Age Assistance worker for the State Department of Public Welfare.

Miss Cloa Belle Wilkerson and Mr. Bob Mercer of Wichita Falls spent the Fourth with Mr. and Mrs. Harry Dodson. Miss Wilkerson remained until Saturday.

You probably wouldn't worry about what people think about you if you could know how seldom they do.

Miss Louise Mackin is in Hamlin this week to visit her sister, Mrs. Jodie Creel and it might seem there is another "near relative" whose name can be learned by ringing 58 and asking for the bookkeeper.

My concern is not whether God is on our side; my great concern is to be on God's side.—Lincoln.

Everybody finds out, sooner or later, that all success worth having is founded on Christian rules of conduct.—Henry Martyn Field.

## Eyeing Our Neighbors For Mutual Protection

One of the most far-reaching conferences ever staged on the University of Texas campus, a two-day parley on Western Hemisphere problems brought on by Europe's war, was held in Austin last week.

Among the 26 Pan American experts present from both sides of the Rio Grande and from business, and government as well as education, were such speakers as Henry F. Grady, Assistant United States Secretary of State; Amos Taylor, chief of finance division, U. S. Bureau of Foreign and Domestic Commerce; and George Wythe, liaison officer for the U. S. Department of Commerce.

Roland Hall Sharp, Christian Science Monitor Latin-American expert, who opened the first of five round-table sessions Tuesday, declared that Nazi and Fascist penetration has already begun in Central and South America.

He listed German population totals in Latin-America in excess of 1,000,000; Italian, 5,000,000.

Following him, Dana G. Munro, director of Princeton University's School of International Affairs, called for an improvement in the personnel of U. S. diplomatic staffs to the Latin-American republics.

"It would be difficult," he said, "to exaggerate the harm which has been to our Latin-American relations in the past by bad diplomacy."

## Miss Adelaide Jenkins Becomes Bride Of Mr. Alvis Bond

Miss Adelaide Jenkins, daughter of Mr. and Mrs. O. L. Jenkins and Mr. Alvis Bond, son of Mr. and Mrs. M. H. Bond, were married in a ceremony read at high noon Sunday in the Abbey Baptist Church, six miles south of Hamlin. Rev. Charles Tarnance was the officiating minister for the service.

The altar was banked with ferns and decorated with baskets of summer flowers.

Preceding the ceremony Mrs. N. H. Touchstone sang "I Love You Truly," accompanied by Mrs. J. H. Agnew who played the Mendelssohn Wedding March, and "Love's Old Sweet Song" during the reading of the ceremony.

The bride wore a dress of navy sheer crepe with white starched lace at the throat and on the lapels. Her accessories were of navy and white and her flowers were a corsage of white carnations. For her "something old" she wore a necklace which has been in the bride-groom's family for many years.

Miss Juanita Harbert, the bride's only attendant, wore a navy frock with navy and white accessories and a corsage of white carnations.

Mr. Morris Barrett, of Lubbock, served as best man.

Both Mr. and Mrs. Bond are graduates of the Hamlin High school and he attended Texas Christian University in Fort Worth. He is now employed in the Farmers and Merchants National Bank in Hamlin where the couple will make their home.

Out of town guests were: Mr. and Mrs. Ernest Jenkins of Sweetwater, Mr. and Mrs. W. A. Norris and daughter of Eustace, Messrs. and Mrs. Earl Kiser of Rotan, A. M. Johnson and family of Fort Worth, Virgil Steele and family of McCaulley, and Mrs. Ballard and granddaughter, Margaret Adair, Mrs. C. B. Barrett and sons of Lubbock, and Bill Norris stationed at Mare Island.

## Miss Marie Dutton Honored With Party

Misses Marguerite Treadwell, Lorene Rose, Mrs. J. A. Taylor and Mrs. W. M. Chambers, were co-hostesses when they entertained on Tuesday afternoon in the home of Mrs. Taylor, honoring Miss Marie Dutton, bride-elect of Lewis Austin, of Anson.

A pink and white color scheme was emphasized in decorations and all appointments. The dining table was covered with a hand embroidered cloth and centered with pink rosebuds. Favors were arranged in a heart design.

A toast to the bride was given by Miss Marguerite Treadwell and "Compliments" given by Billie Chambers.

Miss Lorene Rose invited guests into the dining room where Mrs. Taylor and Mrs. Chambers served pink ice cream and white cake.

Guests registering in the bride's book were Meses. J. R. Bonds, Agnew, Joe Ford, H. C. Harbor, Clyde

Whitaker, Howard Jenkins, Dave Harris, Theo Lang, Elmer Joiner, Bert Fomby, J. L. Treadwell, Earl Jobe, Clinton Shower, Bill Kelly, Mrs. Green, Mrs. Shower; Misses Bobbie Kelly, Eunice Dutton, Lillie Dutton, Winnie Wright, Fern Green, Inez Ford, Ruth Ellison, Betty and Dorothy Jobe, Orlena Treadwell, Bulah Ray Rose and Billie Chambers.

Mmes. Austin, W. E. Burns, Lewis Austin, Dave Sherrily, R. L. Carpenter and Mrs. Neil, of Anson.

## M. E. Young People Visit Sweetwater Methodist Church

The young peoples' Epworth League of the local Methodist church went to Sweetwater last Sunday afternoon for a visit with the young people of the First Methodist church of that city.

Following an afternoon of frivolity at the local municipal park ending with a picnic lunch the young people, accompanied by Mrs. H. A. Johnson and Dr. and Mrs. Don Gould attended the Epworth League and church hour there.

A short social period after church was enjoyed with the local young people before the twenty-seven Hamlin youthful workers returned home after this full day of enjoyment and instruction.

## METHODIST CHURCH

Rev. John W. Hendrix, Pastor

The Church School meets at 9:45 A. M. It cordially invites you and your household. All of you are within its pales, objects and its endeavor.

MORNING WORSHIP comes on at 10:50. It invites you to share in its benefits. The subject of the sermon, "The Biography of Failure." The text is taken from what is supposed to be the first Parable of our Lord. What did Jesus think of the crowd? What opinion did He have as to why some people fail religiously. The choir will be present with a program of choice hymns.

EVENING WORSHIP begins at 8:15 and runs one hour. This is a most enjoyable and profitable service. As a rule the attendance is good, interest deep and real. The subject for the evening sermon, "Seed Among The Thorns." We have promised that the Juniors will sing for us at this hour. The church has two sets of double doors, the entrance well lighted—you can't miss the way nor fail to find entrance. Try it. You will find inside a cordial, friendly group who will be glad to welcome you. The auditorium will be well lighted and every possible comfort. Look into this offer.

LEAGUES will meet, each in its place, at 7:30 P. M. These Leagues are in the very best possible hands; are guided by the most able counselors. They are willing to lay themselves out in any service to make a success of these meetings. The balance is up to the group. Success to these meetings. The balance is up to the group. Success is a co-operative venture.

## PROGRAM

1:30—Devotional and Young People's Work .. Mrs. Dick O'Brien  
2:00—Our Seminary ..... Bobby Jo Cox  
Business  
Adjournment

## BAPTIST CHURCH

We had a revival last Sunday! Thirteen new members were received into the church. Three came upon profession of faith and for baptism. We had two large congregations, and spiritual tides ran high all day. Still it is our belief that we are on the verge of a mighty, sweeping revival. May God grant it!

We want even a greater day next Sunday. Be in Sunday School at 9:45, and help us keep our attendance up. Last quarter we averaged 299 10-12 for the entire period of three months. (This isn't ministerially speaking—notice the 10-12.) This quarter we should do this well. Come on out Sunday. The pastor speaks at the 11:00 o'clock hour on the subject, "Three Tenses of Salvation." The results of salvation in the believer's life in the past, the present, and the future will be discussed. Training Union begins at 7:15 P. M., and a little life is beginning to show up. Come on out if you are a Junior, an Intermediate, or a young person. The evening service begins at 8:15. Our air conditioner is working better, and the auditorium is pleasant. Help us; we don't want a summer slump!

A Daily Vacation Bible school will begin at the church next Monday morning at 8:00. Miss Bobbye Jo Cox of Tuscola is with us to lead in this undertaking. All boys and girls from 4 to 16 are urged to be present. Memory work, character stories, Bible study, and handwork will be given. This is the first school for our church, and we are expecting the best possible co-operation from everyone. Children from all churches or no churches are welcome to the benefits of our school.

Preparation Day for the school will be Saturday, July 13. The boys and girls will meet at the church at 8:00 A. M., register, and then help make caps to wear in the big parade which will be staged Saturday afternoon at 3:30. The officers have kindly consented to help us stage this parade so there will be no traffic dangers. This is one of the greatest works any church can sponsor, and we hope this first Daily Vacation Bible School in the Baptist Church will prove itself worthwhile.

H. E. EAST, Pastor

D. V. B. SCHOOL PARADE  
SATURDAY

The First Baptist Church will begin its first Daily Vacation Bible School Monday, July 15, at 8:00 A. M. But on Saturday, a big parade will be staged at 3:30 P. M. advertising the school. The boys and girls will meet at 8:00 A. M. on Saturday to register and make caps, etc. suitable for the parade. Donkeys, dogs, "tin lizzies," and what have you are expected in this parade.

The Bible School will feature study, memory work, handwork, good citizenship, and character stories. Boys and girls from 4 to 16 are urged to come. Miss Bobbye Jo Cox of Tuscola will be principal of the school.

Mrs. O. D. Roland and daughters, little Misses Mary Lee and Reba Fay are returning Friday to their home in Port Arthur after a visit of three weeks here with Mrs. Roland's parents, Mr. and Mrs. W. A. Albritton.

Mrs. Bertha Hagerman and her two sons, Leonard and Buford, of Rising Star, came and spent the Fourth with her uncle, F. E. Cauble, took lunch at Hamlin Lake and had a grand time boating.

## NAZARENE CHURCH

Our regular service will follow the regular Sabbath schedule with the pastor preaching at both morning and evening hours. We urge you to form the habit of Sunday School and church going, and welcome you to all of our services.

At 3:00 o'clock Sunday afternoon a male quartet from Bethany, Peniel college, Bethany, Oklahoma, will render a special song service. Prof. Gish, a teacher in the college, will be the principal speaker.

The purpose is to acquaint the general public with our college. We urge all who are interested in a good quartet, come, and enjoy this program.

Dan D. Jones, Pastor

## Rev. Dan Jones, Pastor of Nazarene Church Re-elected

The Herald learns that Rev. Dan Jones, pastor of the Hamlin Nazarene church, who has been here one year, was chosen unanimously by secret ballot last Sunday, to remain as pastor.

This means much on a number of lines. To the church, and to the entire community, Rev. Jones has proved himself a real pastor and citizen servant since coming to Hamlin. He is broad minded and liberal; he is devoted to his charge and is a fluent speaker.

## B. L. Jones Is Pushing Federal Land Bank Loans In This County

According to B. L. Jones of Anson, Texas, Secretary-Treasurer of Hamlin, Stamford and Jones County National Farm Loan Association, farmers in Jones County will save about \$33,000.00 a year as a result of legislation just enacted by Congress affecting interest rates on Federal Land Bank and Land Bank Commission loans.

The temporary rate of 3 1-2 per cent on first mortgage Land Bank loans will be continued for two years ending June 30, 1932. During this period the interest rate of first and second mortgage Land Bank Commission loans will be reduced, from 4 to 3 1-2 per cent. Land Bank and Commission loans were originally written at contract rates averaging about 5 per cent.

At present about 675 Jones Co. farmers have Land Bank and Commission loans outstanding aggregating \$2,202,500.00. The difference between the contract rate and the temporary rate thus effects a substantial saving for farmers.

Money saved on interest charges will thus be reflected in increased purchasing power, benefiting both industry and agriculture, and also help in a measure to raise farm living standards and safeguard farm ownership.

J. C. Turner Jr., arrived last week from Austin where he had spent four days taking the Texas Bar examination. J. C. will not likely hear from his papers till the expiration of about eight or ten weeks. He graduated from the Baylor University law department.

M. T. York received a message Tuesday night that his brother's wife, Mrs. Bob York had died at Lufkin. The family left early Wednesday to attend the funeral.

Mr. and Mrs. M. T. Hudson and daughters, accompanied by Miss Pearl Hudson, went to Ackerly Sunday to spend the day with Mr. and Mrs. J. E. Griffin. Miss Joyce Hudson remained for a longer visit with her cousin, Miss Sara Evelyn Griffin, and will also visit her friend, Miss Effie Lois McCoy in Lamesa.

The Joe A. Simpson Grocery has installed a very modern vegetable refrigeration cabinet. A beautiful piece of furniture fixture that will make fresh vegetable buying a pleasure. Joe, this is another example of your progressive spirit.

## Girls Are Advised To Build-Up For Relief

Lack of knowledge causes many a weak, undernourished girl a lot of suffering!

Many others, however, know how the headaches, nervousness, cramp-like pain of functional dysmenorrhea due to malnutrition are helped by the proper use of CARDUI.

Some take it a few days before and during "the time," to help ease periodic distress. But CARDUI's principal use is to help increase appetite; stimulate the flow of gastric juice; so aid digestion, assist in building up physical resistance and thus help reduce periodical distress. Women have used CARDUI for over 50 years.

Mrs. Johnnie Gray and children will return Saturday to their home in Odessa after a stay of two weeks at the home of Mrs. Gray's mother, Mrs. H. A. McWright following an operation at the Stamford Hospital.

The Padio Stamford Texas

## A Card of Thanks

The wish to express our sincere thanks and appreciation for the many expressions of love and sympathy shown us and for the beautiful floral offerings from our friends at the death of our beloved husband, father and brother. And may God bless each one of you.

Mrs. O. R. Lewis and children  
Mr. and Mrs. H. H. Lewis & Ruth  
Mr. and Mrs. W. A. Lewis and family

Messrs. Leroy and Clyde Lewis  
Mr. and Mrs. Burl Jacobs  
Mr. and Mrs. Burley Baggett

The Albritton Food Store is announcing the installation of a modern electrical refrigeration cabinet for vegetable freshness. It is a beautiful piece of furniture, in white and black enamel. It is really a refresher of vegetables it does more for the plant or fruit than nature. This again proves business is using the inventor's creation for economy and convenience. What next, W. A. and Henry?

## Take-It-Easy

This is Take-It-Easy Weather. We are trying to help you Take-It-Easy. Even our Fruits and Vegetables are taking it easy now . . . This week we installed, for their protection and your DELIGHT, a Sparkling New Super-Cold

## POT SHOTS FROM McCAULEY

—BY GEO. DARDEN—

Bro. Hardesty reports a wonderful trip through the eastern states. He tells us that every where he visited, crops were fine and the country as a whole, looked prosperous.

Mr. and Mrs. Nute Stephens of El Reno, Okla., have been visiting in the home of Mr. and Mrs. Monroe Maberry and Mr. and Mrs. J. A. Stephens of Anson. Mrs. Monroe and Mrs. J. W. Maberry returned home with the Stephens for a visit in El Reno, Putnam, and Oklahoma City.

We have been informed by Mrs. Jim Jackson, that the Home Demonstration club has postponed their regular meeting from July 17th to July 21st, on account of the mattress making which is to start the 17th.

Mrs. Monroe Maberry and Mrs. J. W. Maberry attended a home coming celebration at Jacksboro, Texas, on the 6th of July. We are told that the crowd at the celebration was estimated at about twenty thousand.

Mr. and Mrs. Fred Maberry are moving back to McCaulley. For the past two years the Maberrys have made their home in Roby where Fred was manager of the Anderson-Clayton gin.

Barney Yarborough and family of Lamesa have been visiting in the homes of his sisters, Mrs. Vera Jayroe and Mrs. John Frank Maberry.

Mr. and Mrs. John Hardesty of Washington, D. C., are visiting in the home of his parents, Rev. and Mrs. Hardesty.

Bill Kean reports the best crop that he has had in years.

The mother of Mrs. H. P. Powers is visiting in the home of the Powers.

Hettie Logan Clay who is sight seeing in the State of Colorado, writes that she is having a wonderful time. Miss Clay will teach in the Merkel public school this year.

The battle of the bums is over and Maxie Baer the winner. We got a kick listening to the fight.

John Dean and C. P. Yates have opened for business, a wood work shop, in McCaulley and the buzzing of the electric machines can be heard across the street.

Glad to report that Joy Gregg is improving after a sudden illness.

A number of McCaulley folks celebrated the Fourth of July at rodeos and down on the river with their hooks and lines.

The canning of beans and peas is in full swing on the Miers farm east of town.

It has been said that, "The modern world is too small to hold both the American and Nazi concept of human society."

Wealth of itself does not bring happiness. Man's inhumanity to man makes countless thousands mourn. The blood of millions are on the hands of a few dictators. Sound and sensible democracy will in the end be victorious.

Virgil Steele was in town last week having some blacksmithing done.

Carroll Lee and Frank Houghton are still very busy men measuring farms.

Large crowds are attending the Methodist meeting now in progress. The meeting will continue through out this week.

What ever can be done to stabilize home ownership on farms has an incalculable economic value.

Word has been received that Patsey Martin, granddaughter of Mr. and Mrs. George Martin, underwent an operation at Abilene hospital last week. She is reported doing fine.

Mr. and Mrs. F. W. Poe and children visited in the home of the Ernest Greggs uSunday.

A number of folks from McCaulley witnessed the baseball game in Hamlin Sunday and did those Oilers pour it on!

All state, district, and county candidates are invited to attend the big political rally on Wednesday night, July 17 in McCaulley. You will have a place on the program.

Mr. and Mrs. Bonnie Bingham and little son, of Avoca, were visiting relatives and friends in McCaulley last Sunday.

Sitting by the radio the other night, we listened to a candidate for Governor who said he favored Civil Service for all State employees.

If the so called merit system is right, then let's have it from constable to President. Let everybody take the written test and the highest grade get the jobs and the first thing we know we would have everything in public office from a Chinaman to a South African.

Everybody knows that these little written tests do not spell merit. There are many people who could make one of the three high grades. If you were to take them away from their books they wouldn't have enough common horse sense to lead a blind goose to water. Give the men that we elect to public office the power to appoint one hundred per cent Americans with enough natural ability to fill these jobs, then we won't be bothered with the so-called Fifth Column within the ranks. Why give foreign born people the rights to state jobs when there are plenty of good men and women in the good old U. S. A. who were born and reared on American soil, who can and will fill these jobs honorably. Candidates who holler about the spoils system should think a little more about patriotism.—A Dardenogram.

comply with the regulations for design, construction, and operation of same as approved by the National Board of Fire Underwriters and the National Fire Protection Association; requiring that such tank trucks and tank trailers shall be kept in good condition at all times; providing for the immediate repair of any defect in such automobile equipment, and subjecting such tank trucks and tank trailers to proper inspection at all times; prohibiting storage and parking of tank trucks and tank trailers on street, and inside of buildings in fire limits of the City of Hamlin; requiring the use of malodorous in liquefied petroleum gas sold within the City of Hamlin; providing a penalty for the violation of any provision of this ordinance, and providing that if any part of this ordinance shall be construed to be invalid such invalidity shall not affect the remainder of this ordinance; and declaring an emergency.

Be it ordained by the City Council of the City of Hamlin, Texas, as follows:

SECTION 1: That all persons, firms, or corporations who may, from and after the effective date of this ordinance, install or equip any residence, business house, or apartment house, or any other building located and situated within the corporate limits of the City of Hamlin and any installation or equipment designed to use as a fuel any form of manufactured or liquefied petroleum gases, shall use in any such installation (whether for domestic or industrial use) only a standard grade of pipe and—

or piping, and all appliances used in connection with any such installation shall be a standard grade and type of equipment. Any system which uses any form of manufactured and—

or liquefied petroleum gases must bear the label of approval and—

or listing of the Underwriters' Laboratories. The storage of any liquefied petroleum gases in any con-

underground, is prohibited inside of and—

or underneath any building in the corporate limits of the City of Hamlin.

SECTION 2: The term "Standard Grade" as used herein shall mean that grade of article which is accepted by dealers in such equipment and recognized as complying with all fire law regulations.

SECTION 3: Any such equipment as provided for shall be installed and—

or repaired in a workmanlike manner which shall comply with all laws and—

or regulations of the City of Hamlin, and the regulations of the National Board of Fire Underwriters and the National Fire Protection Association; and no equipment using liquefied petroleum gases shall be permitted within the fire limits as defined by ordinance of the City of Hamlin.

SECTION 3a: Before any such equipment is installed as herein provided, a Permit must be secured from the city secretary of the City of Hamlin and the city secretary must keep a permanent record of such Permit in his office, and he must furnish the Fire Chief of the City of Hamlin a duplicate copy of such Permit.

SECTION 4: When any such equipment is installed as herein provided, same shall not be placed in operation or used by any persons unless and until said installation has been approved, as complying with this ordinance by the City Plumbing Inspector.

SECTION 5: Any person, firm or corporation installing any such equipment as herein provided shall secure approval of same as complying with the requirements of this ordinance by the City Plumbing Inspector, as herein provided for, and shall, upon requesting such inspection for approval, pay an inspection fee of \$1.00, for each piece of equipment, to cover cost of inspection.

SECTION 6: All tank trucks and tank trailers used for the transportation of liquefied petroleum gases within the City of Hamlin shall be so constructed and operated as to comply with the regulations for the design, construction and—

or operation of automobile tank trucks and tank trailers for the transportation of liquefied petroleum gases as approved by the National Board of Fire Underwriters and the National Fire Protection Association. Any person, firm, or corporation who shall operate or cause to be operated any tank truck and—

or tank trailer used for the purpose of transporting liquefied petroleum gas within the corporate limits of the City of Hamlin shall keep any such equipment in good condition at all times, and upon the development of any defect that would create a hazard to persons or property, said tank trucks or tank trailers shall be removed from the street of the City of Hamlin until such defects have been repaired, or faulty equipment replaced, and any such tank trucks and tank trailers shall be subject to inspection by the proper authorities at any time. No tank truck and—

or tank trailer shall be parked, stored and—

or operated upon any street within the fire limits; nor shall they be stored and—

or repaired inside and—

or outside of any building within the fire limits as defined by ordinance of the City of Hamlin.

SECTION 7: All liquefied petroleum gas sold within the City of Hamlin shall be treated with a malodorous in such quantities as required by State Law to create an odor easily detected in case of leaks in piping and—

or equipment.

SECTION 8: Any person, firm or corporation violating any provision of this ordinance shall be deemed guilty of a misdemeanor and upon conviction for violation thereof, shall be fined in any sum not to exceed Two Hundred Dollars (\$200.00) and each day's use and—

or operation of any such equipment, without having first secured the approval of the City Plumbing Inspector shall constitute a separate offense.

SECTION 9: In the event any section or part of section or provision of this ordinance shall be held invalid, such invalidity shall not affect the valid portions hereof, which shall be enforceable regardless of such holding.

SECTION 10: The fact that there does not exist any rule or ordinance regulating and controlling the installation or use of manufactured or liquefied petroleum gases within the corporate limits of the City of Hamlin, which said gases are highly volatile and inflammable and if not properly controlled and regulated constitute a dangerous and hazardous condition affecting life and property, creates an emergency and imperative necessity for the immediate preservation of the public welfare and safety, which necessitates the suspension of the rule requiring ordinance to be read on three sep-

underground, is prohibited inside of and—

or underneath any building in the corporate limits of the City of Hamlin.

SECTION 2: The term "Standard Grade" as used herein shall mean that grade of article which is accepted by dealers in such equipment and recognized as complying with all fire law regulations.

SECTION 3: Any such equipment as provided for shall be installed and—

or repaired in a workmanlike manner which shall comply with all laws and—

or regulations of the City of Hamlin, and the regulations of the National Board of Fire Underwriters and the National Fire Protection Association; and no equipment using liquefied petroleum gases shall be permitted within the fire limits as defined by ordinance of the City of Hamlin.

SECTION 3a: Before any such equipment is installed as herein provided, a Permit must be secured from the city secretary of the City of Hamlin and the city secretary must keep a permanent record of such Permit in his office, and he must furnish the Fire Chief of the City of Hamlin a duplicate copy of such Permit.

SECTION 4: When any such equipment is installed as herein provided, same shall not be placed in operation or used by any persons unless and until said installation has been approved, as complying with this ordinance by the City Plumbing Inspector.

SECTION 5: Any person, firm or corporation installing any such equipment as herein provided shall secure approval of same as complying with the requirements of this ordinance by the City Plumbing Inspector, as herein provided for, and shall, upon requesting such inspection for approval, pay an inspection fee of \$1.00, for each piece of equipment, to cover cost of inspection.

SECTION 6: All tank trucks and tank trailers used for the transportation of liquefied petroleum gases within the City of Hamlin shall be so constructed and operated as to comply with the regulations for the design, construction and—

or operation of automobile tank trucks and tank trailers for the transportation of liquefied petroleum gases as approved by the National Board of Fire Underwriters and the National Fire Protection Association. Any person, firm, or corporation who shall operate or cause to be operated any tank truck and—

or tank trailer used for the purpose of transporting liquefied petroleum gas within the corporate limits of the City of Hamlin shall keep any such equipment in good condition at all times, and upon the development of any defect that would create a hazard to persons or property, said tank trucks or tank trailers shall be removed from the street of the City of Hamlin until such defects have been repaired, or faulty equipment replaced, and any such tank trucks and tank trailers shall be subject to inspection by the proper authorities at any time. No tank truck and—

or tank trailer shall be parked, stored and—

or operated upon any street within the fire limits; nor shall they be stored and—

or repaired inside and—

or outside of any building within the fire limits as defined by ordinance of the City of Hamlin.

SECTION 7: All liquefied petroleum gas sold within the City of Hamlin shall be treated with a malodorous in such quantities as required by State Law to create an odor easily detected in case of leaks in piping and—

or equipment.

SECTION 8: Any person, firm or corporation violating any provision of this ordinance shall be deemed guilty of a misdemeanor and upon conviction for violation thereof, shall be fined in any sum not to exceed Two Hundred Dollars (\$200.00) and each day's use and—

or operation of any such equipment, without having first secured the approval of the City Plumbing Inspector shall constitute a separate offense.

SECTION 9: In the event any section or part of section or provision of this ordinance shall be held invalid, such invalidity shall not affect the valid portions hereof, which shall be enforceable regardless of such holding.

SECTION 10: The fact that there does not exist any rule or ordinance regulating and controlling the installation or use of manufactured or liquefied petroleum gases within the corporate limits of the City of Hamlin, which said gases are highly volatile and inflammable and if not properly controlled and regulated constitute a dangerous and hazardous condition affecting life and property, creates an emergency and imperative necessity for the immediate preservation of the public welfare and safety, which necessitates the suspension of the rule requiring ordinance to be read on three sep-

underground, is prohibited inside of and—

or underneath any building in the corporate limits of the City of Hamlin.

SECTION 2: The term "Standard Grade" as used herein shall mean that grade of article which is accepted by dealers in such equipment and recognized as complying with all fire law regulations.

SECTION 3: Any such equipment as provided for shall be installed and—

or repaired in a workmanlike manner which shall comply with all laws and—

or regulations of the City of Hamlin, and the regulations of the National Board of Fire Underwriters and the National Fire Protection Association; and no equipment using liquefied petroleum gases shall be permitted within the fire limits as defined by ordinance of the City of Hamlin.
